

## New Route 370

**Route 370 is a new line that connects the highest ridership stops in Pittsburg and Antioch** with direct, high frequency service. High ridership stops include Pittsburg/Bay Point BART, Walmart, LMC, Antioch High School, and Antioch BART. This route would operate every 15 minutes between noon and 6 p.m. on weekdays when ridership demand is highest. The route would also operate every 30 minutes on weekends.

Connections would be timed to meet other Tri Delta Transit routes at Antioch BART.

**Route 370 would replace parts of the current Routes 380, 387, 388, and 390.**

### Route 370 Service Recommendations
