

Route 388

Route 388 currently connects the Pittsburgh-Bay BART station with the Antioch BART Station and Kaiser Medical Center via an extremely long and circuitous alignment.

In order to simplify service, improve route directness, and service reliability, **Route 388 should be restructured and replaced by other routes.** Almost all stops with current ridership will continue to be served.

- Between Pittsburg / Bay Point BART and Railroad Ave., a new, more frequent Route 370 will replace Route 388. Route 370 will also serve LMC and continue to Antioch BART.
- Service to Harbor St and School St will be provided by a new Route 372. Route 372 will also serve LMC.
- Between LMC, downtown Antioch, and Antioch BART, a new Route 371 will replace Route 388.
- Between Antioch BART and Kaiser, a new Route 376 will provide service.

Route 388 Service Recommendations

Hours of Service			
	Weekday	Saturday	Sunday
Existing	4:59am- 10:17pm	7:33am- 12:27am	7:33am- 12:27am
